

NIJ IIIA VEST

POLICE/SECURITY MOLLE BULLETPROOF VEST

Standard: NIJ 0101.06

Protection Level IIIA

Material: PE/Kevlar

Carrier: Nylon/polyester

Protective area: 0.28m²

Pockets for ballistic plates ICW in front and back

The highest blunt trauma protection rating in soft body armor

The best for very high-risk situations to cover more of the uncommon or unusual threats

Minimizes blunt trauma injury to allow more effective return fire

Material advantage: Waterproof, durable, heavy duty, abrasion resistant
